Doris Alyward

Jan 1932 - Oct 2023

We are so grateful for Doris.

Doris' legacy touches the far edges of our Labrador world; we are indebted to her for the community she built for so many of us to enjoy.

Doris alongside a handful of hard-hitting, dedicated, crazy dog people, founded the *Labrador Retriever Club of Greater Boston* 30+years ago.

She bred, trained and handled our club's first Champion Master Hunter. And Doris imagined and launched the club's beginners field class, which we view as an on-ramp to all retriever games.

Doris went out of her way to welcome beginners – like no one before or since.

Lady Labrador

She was wonderful.
She made me laugh.
The most loving, kind, person.
I miss her terribly.
I called her Lady Labrador.

Gerardo (Gerry) Saldana
Zinfndel Labradors

Our pursuit in Labradors traces back nearly 30 years. Joan and I have been fortunate enough to have owned, bred and exhibited some very successful Labradors under the Zinfndel prefix, notably Potomac BISS Ch. Moraine's Malcolm At Zinfndel, Ch. Zinfndel Brigham, MBISS RBIS GDCH. Zinfndel's Spanish Oak to name a few. We still enjoy exhibiting and now judging. I look forward to what the future may hold in our lives with Labradors and beyond. Thank you for inviting me to judge your wonderful Labradors at the 2024 Boston Labrador Specialty.

Nancy Talbott Belgold

In 1990 I fell into a very happy coincidence with Labrador Retrievers, through the generosity of friends Winnie Limbourne and Donna Smith, finishing my first champion and foundation bitch, Am/Can CH Donally's Adeline (a daughter of Am/Eng CH Receiver of Cranspire). I am proud to have bred and owned many CH, UD, SH, WCX, and other working titled, search and rescue, and service dog certified Golden Retrievers and Labradors under the Belgold kennel name. In addition to Golden Retrievers and Labs, I have owned CH Papillons and Pugs. My home is currently shared with a 7-year-old Lab and a 1 year old Pug.

I have been judging since 1993 in the United States as well as many foreign countries, including Sweden, Australia, South Korea and Indonesia. It's been a hobby that's allowed me to meet wonderful people all over the world and travel and do what I love to do, which is be around dogs. It is a privilege to judge the Greater Boston Labrador Retriever Club specialty. Thank you for this honor.

Erin McRobb Edlyn Labradors

I started showing Labradors at the age of 10, my folks then purchased a Kupros Marshall daughter who I showed in breed and juniors. Molly and I also competed in obedience. Marge and Chris Hutchins, Balnamore mentored us as we began. Marge took me to the kennel and said choose any dog to show while Molly has her puppies. I chose Ch Balnamores Freestyler, a Borador Lord Travis son. Michael was the first dog I earned a group placing on, achieved national rankings and qualified for Westminster in junior showmanship. I qualified for Westminster multiple years and travelled to WKC twice as a Junior Handler.

I continued to show, finishing many dogs, and was fortunate enough to be at the end of the leash of Ch Pucketts Ms Alfie. Alfie was the first dog I earned both a Best in sweeps and best in specialty. I campaigned her while I was in college to the number 1 Labrador bitch in the US in 2002. At that time, I decided to have my own kennel prefix of Edlyn. I have bred many champions with my mom, Diane McClurg. Our greatest accomplishment most recently being MBISS Ch Maidstone Edlyn Jolly Roger That, JH who is the combination of both of our bitch lines all in one! We are proud to have produced multiple specialty winners, group placers, and top-ranked Labradors.

I am honored to have been invited to judge at LRCGB and look forward to seeing all of the beautiful Labradors that will be presented to me. Thank you again for this opportunity.

Tom Flaherty Hedgelawn Labradors

My interest in Labradors started as a teenager. I acquired my first Labrador in 1991. She was a CH Beechcroft Edgewood Tomarc granddaughter, and she taught me plenty about owning, showing, breeding and enjoying our wonderful breed. I bred my first litter in 1993 and through the years have been fortunate enough to have bred and owned many Show Champions, multiple Specialty Winners, Group and Best in Show Winners, Hunt Test and Obedience titled dogs, wonderful service dogs, and of course many beloved family pets. I think of myself as a breeder first and foremost and that is very important to me. Breeding is science and art all mixed together. I've been involved with some of our breed's most influential sires of recent times, watching the influence these dogs have had worldwide and seeing how and why they produce the way they do has been amazing and I have learned so much. All of these experiences and accomplishments helped me become a better breeder.

In my early work on a dairy farm, I became very interested in structure and how cattle were put together and what made them function properly. Evaluating cattle is very similar to evaluating dogs and I believe having the exposure to this early on helped me develop an "eye" for finding a good, well-made animal with good breed type. My career as a veterinary nurse also enabled me to become even more familiar with structure and movement.

Thank you to the club for the invitation to judge sweepstakes at the 2024 Labrador Retriever Club of Greater Boston Specialty Show. I look forward to seeing and evaluating all your wonderful puppies and veterans.
